

Economy Machinist Clamping Kit

**ONLY 10 SETS AVAILABLE
AT THIS PRICE !!**

Means Great Savings!

TE-CO Tooling Components and Sowa Tool are offering an economy line of Machinist Clamp Kits at substantial savings. Of course, the same quality and high standards of the TE-CO Premium Kits are also found in these kits. The only difference between the two is that the economy line has no TE-CO logo, no flats on studs, no t-slot cleaner, and stud threads are rolled, not cut. What you will find though, is a nice price tag.
